Subject: Local Plan Review - Copplestone - Land at Bewsley Farm at the Back of Sunnymead

Dear Sir

Please note my objection to the proposed residential development of land at Bewsley Farm (at the back of Sunnymead) on the basis of:

- road and transport infrastructure being inadequate
- additional traffic on an already over-used road (increasing volume of traffic, excess pressure at peak times, safety and noise)
- increased flood potential (run off and inadequate drainage from the road to our property)
- and pressure on sewerage infrastructure.

Thank you.
