**Subject:** Junction 27 Plan

We would like to express our opposition to the proposed plans for an out of town business and retail park at Junction 27. This is absolutely the last thing that is needed here. It will have a disastrous effect on the local economy and threaten local shops and businesses in the vicinity. Nor is this what anybody would wish to come to Devon for - people will want to come to Devon precisely to get away from this kind of development in larger urban areas. We are wholly opposed to the plan and would like to see far more sensible forms of investment in the local economy, not something that will destroy the entire character of the area.
