Subject: M5 Junction 27 Proposal

Dear Sir

I am writing to express my total opposition to the proposals to develop land near Junction 27 of the M5.

This proposal, if approved, will destroy valuable farmland and countryside that will never be replaced. The thought that thousands of motorists travelling along the M5 would stop at the Junction to shop is, I believe, totally flawed. This considering the proximity of Taunton at Junction 25 and Exeter at Junction 29.

If money is to be spent then surely it is better to improve and use the current brownfield sites in and around Cullompton and Uffculme. Not to destroy our spectacular and precious contryside.

Yours sincerely
