Subject: Local Plan Review Consultation

Dear Councillors,

We are writing to object to the proposed development at Junction 27.

This large development would destroy an area of open countryside well outside established settlement limits and would inevitably encourage further building astride the roads between Waterloo Cross and Willand and between Uffculme and Willand. The suggested town and retail park would seriously affect the viability of Post Office, shops and small businesses in Uffculme which are vital for our local community.

We urge you to reject these proposals.

Yours sincerely,

Stephen and Shirley Thorpe-Tracey
9 Grantlands, Uffculme, Cullompton, EX15 3ED.
