Dear Sirs,

Thank you for inviting Crediton Area History & Museum Society to comment on the Local Plan Review.

We are surprised that neither Newcombes Meadow nor Peoples Park appears to have any special status or protection on the plan as published. These are both historic and important green spaces within the town and valuable amenities for its residents. We would be grateful if you would consider affording them whatever protection is possible and appropriate within the current plan for Crediton.

Thank you, Judy Tucker
