Dear Sir/Madam,

We are writing with reference to the proposal of planning for five dwellings on the site known as :

' The Garage '  
Newcourt Road  
Silverton  
EXETER  
EX54HU.

As adjacent neighbours to this site we are unable to support the proposed 'five' dwellings but will still support the proposed one dwelling that Mr West had previously requested over the past two years.

We would also support a maximum of two others , therefore a total of three. Five dwelling's on this small area is totally unacceptable.

We feel the lane/road will struggle to deal with a large increase of traffic as it can barely cope at the moment and can be very dangerous to pedestrians/residents.

Yours Faithfully  
Mr & Mrs Worth
