

ATT00001

Hi

My name is Jennifer Bateman and I live at 16 Fernworthy Gardens, Copplestone, EX17 5LY.

I am writing in response to the current planning application for new houses on the sites outlined on the map above.

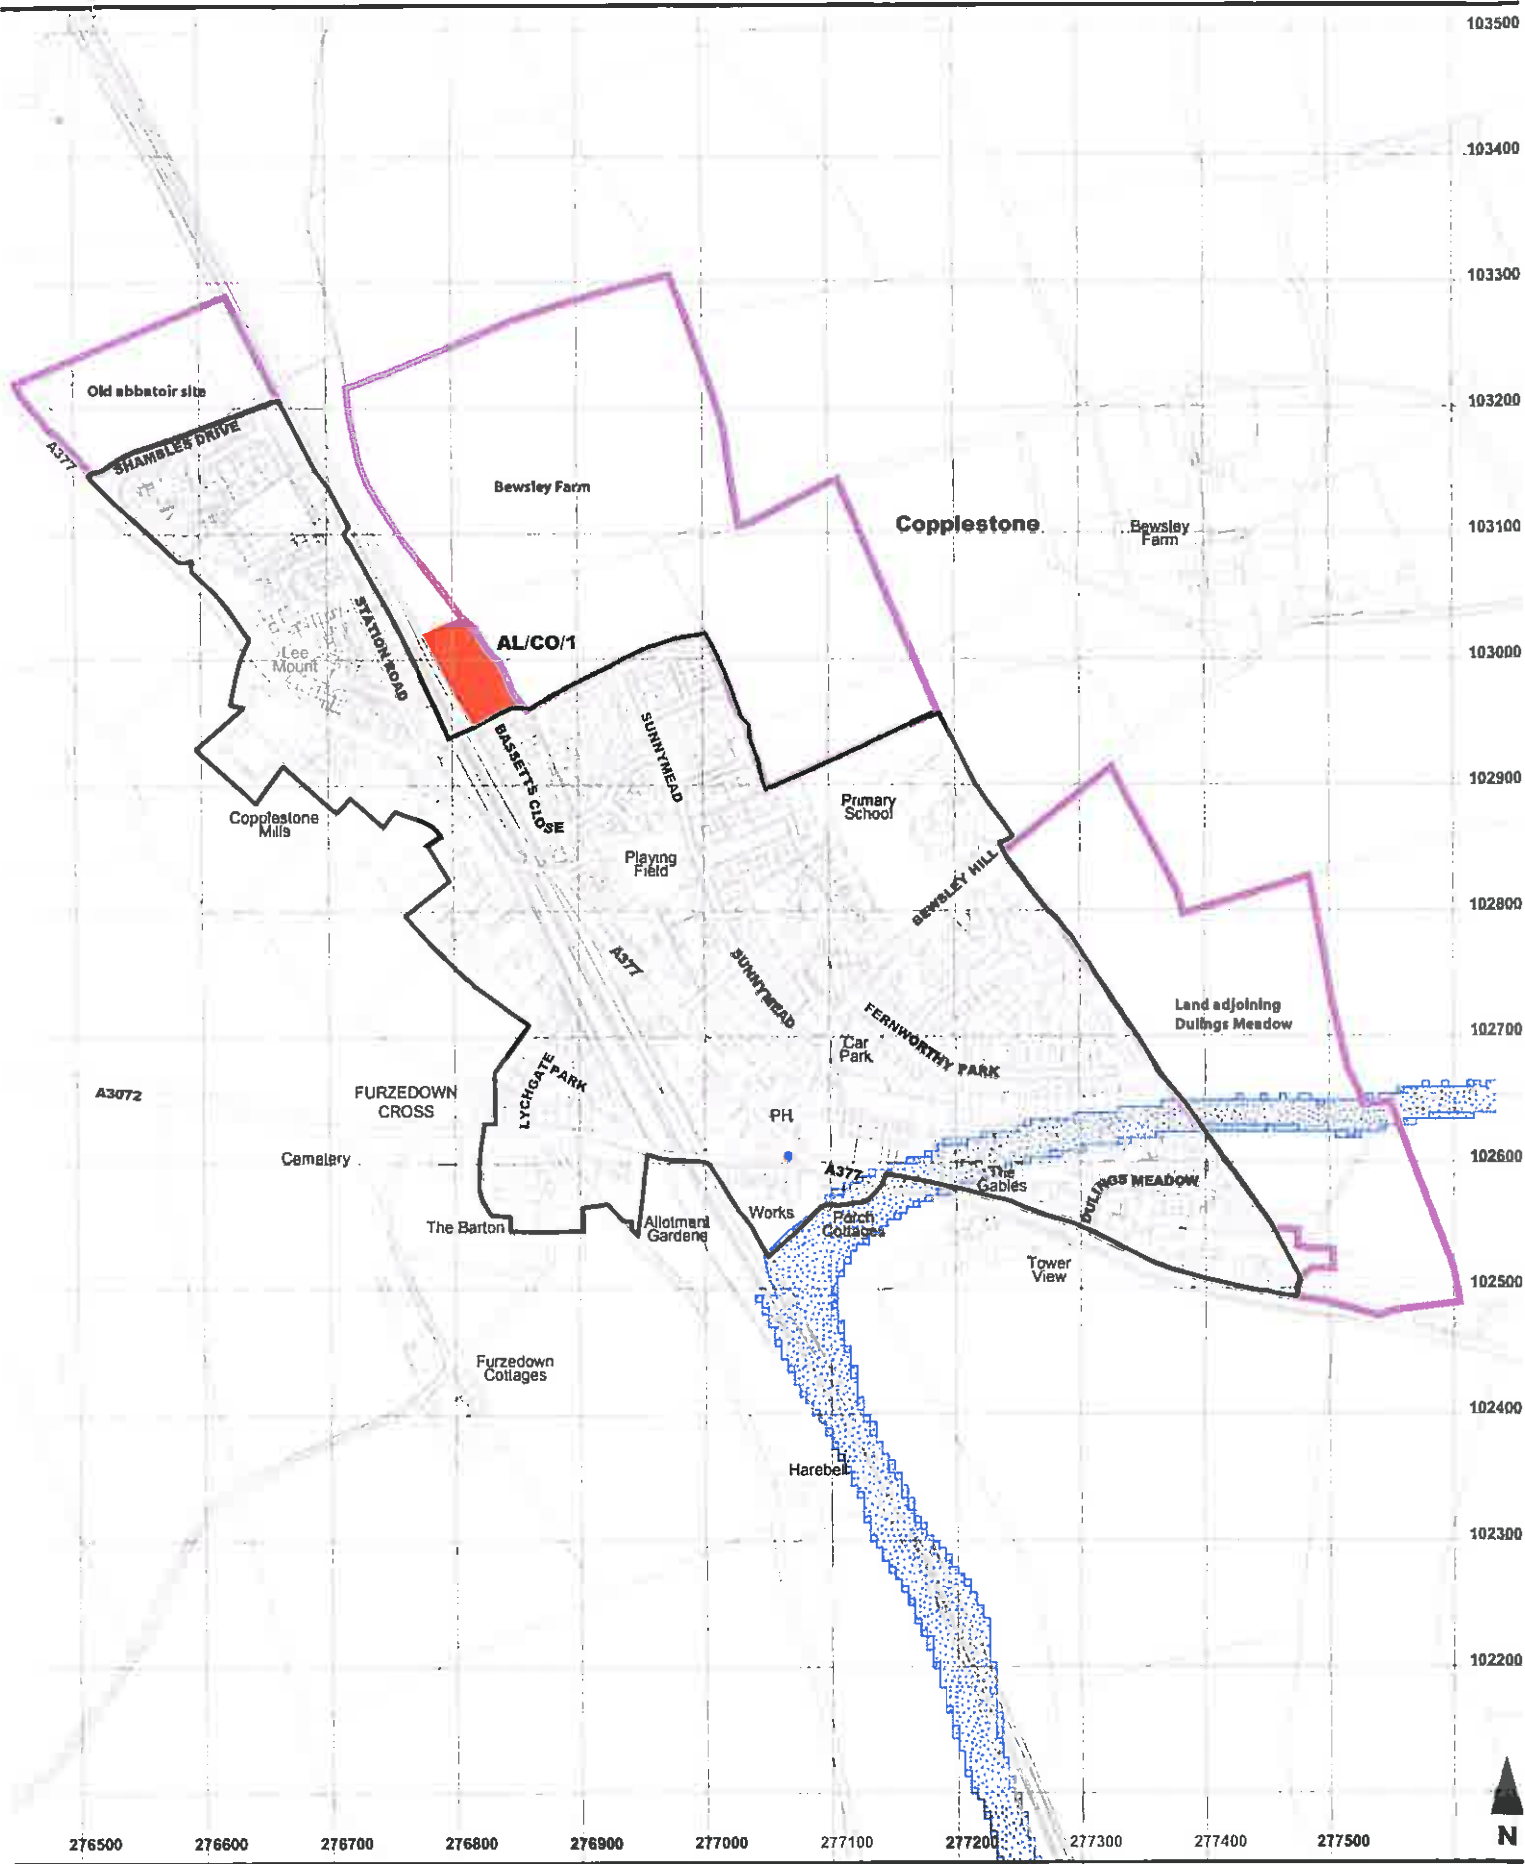

I oppose this application on the grounds that the village (?) has not the infrastructure to support it: the school that has only just recently needed to expand and will find it difficult to cater for the additional children it will be required to educate; the roads around the village are hardly adequate for the heavy traffic that already use it, being too narrow and, in many places, with no pavements; the village has inadequate shopping and community facilities.

I hope that these views will be taken into account when considering this current application.

Sincerely

Jennifer Bateman
