Hi, I am writing in response to the planning application in Cheriton Fitzpaine. I am very much in favor of it as I believe the village desperately needs more housing, which will encourage more younger couples to move here, or more importantly existing families, may have the opportunity to stay, in a place they call home. Cheriton needs a new lease of life. I am 36 years old, and have lived in the village all my life. Although I have a mortgage at the moment for a house, I greatly need a 3 double bedroom house, which will enable me to continue living in the village with my family, as the 2 bedroom, and box room, will not be suitable for when my children get older. As it seems nowadays children are not moving out until their early twenty's, so a child's size bed will not cater for this. I do hope that a proportion of the development will be 3 double bedroom houses, which can be bought with a mortgage, as I do not want to move out of this area. I believe the that there are 4 sites proposed, and think 3 out of the 4 would be ideal. The 'Glebe' site should be left as it is, as it is a lovely field used by many villagers, and the tree which stands in it is, I think protected. PLEASE, PLEASE, PLEASE, BUILD.

Many thanks,  
Lucy Skinner
