

Mid Devon District Council has become a 'Smarter Planning Champion'

Join us in using technology to improve planning services with the Planning Portal

Mid Devon District Council has recently been awarded 'Smarter Planning Champion' status by the Planning Portal, for improvements to services and demonstrating a commitment to delivering a faster and smarter planning application system.

Mid Devon District Council encourage all planning applications to be submitted online using the Government's Planning Portal website.

Benefits of online submission:

- Save your application and return to it later
- Submit your application online at any time
- No postal delays or printing costs
- Pay the fee online or by telephone
- Attach all supporting documents and plans
- Archive all your applications

Once your application has been registered and validated, you can track its progress online via the Council website.

Submit your planning application online today
