Participants must not have competed at County, Regional or National level for the sport. Other eligibility criteria will apply and differ for each sport. Please ask the relevant Team Manager for details. Competitors will be chosen from children attending a school within the Mid Devon area or who live in Mid Devon.

Participants can enter as many trials as they wish, but successful candidates will only be able to compete in one event on the day. All those selected are required to attend training sessions that are free of charge and run by experienced, qualified coaches or teachers. After emailing the Team Manager(s) to register your attendance at the trial(s) just turn up with the registration form and join in. Wear relevant sports kit, all equipment is provided, but you may wish to bring your own. Bring warm or waterproof clothing where needed and plenty to drink. After the trials you will be contacted to let you know how you got on, with details of all the training sessions, if appropriate. There is no cost for the trials, training or transport to the games. Good luck!
