Subject: Landscape Implications of Solar PV Proposals - Draft SPD

Importance: High

Follow Up Flag: Follow up
Flag Status: Completed

FOR THE ATTENTION OF: FORWARD PLANNING –MID DEVON DISTRICT COUNCIL

Dear Forward Planning Section

With reference to the above mentioned subject and having viewed the Supplementary Planning Document,
We note that
on page Figure 5.3 the area East of Tiverton Town is classed as, quote “
Moderate Landscape Implications/Sensitivity to Solar PV Development” unquote.

In view of the above mentioned, We would like to take this opportunity to remind the Planning Department that as part of the EUE Eastern Urban Extension-
Development the land between the Old Railway Walk and the Grand Western Canal, known as “
Green Buffer Infrastructure Zone” and not for development
of any kind.

Please confirm receipt of this email message

Many thanks

Best regards

Chris + Barbara
