

Devon County Council and Adult Social Care.

This year's Devon County Council precept is not directly comparable with the figures on last year's Council Tax Bill.

Last year we were not required by Central Government to show the Band D equivalent for adult social care. This year we are required to show the two figures separately on the Council Tax bill.

Band A	2016/17	2017/18	Increase	Calculation
Devon CC	789.59	805.64	1.99%	Excludes the increase in ASC
