Cullompton Neighbourhood Plan Proposal

Thank you for allowing us to comment on the above; Kentisbeare Parish Council has the following comments to make:

Paragraphs 6.27 and 6.29 refer to the need for an integrated Masterplan for the Garden Village, and a 'sports hub' as an integral part of the Masterplan.

For both environmental and community reasons, Kentisbeare Parish Council wants to see the sports hub sited in the heart of the Garden Village, and not outside the boundary of Cullompton into Kentisbeare Parish.

Clerk: Melanie Shore-Quinain
