I confirm that I have made attempts to make a booking with my registered GP (or another GP in that practice) for a Group 2 medical but I have been unable to secure an appointment due to the current pandemic relating to COVID-19. I hereby certify that there has been no change in my medical fitness since I last produced a medical fitness certificate to Mid Devon District Council.

I further state that I know not of any reason why I am not medically fit to continue to drive a Hackney Carriage and/or Private Hire Vehicle.

I undertake to update the Licensing Team of Mid Devon District Council if there is any change in my medical fitness which impacts on my ability to convey members of the public, safely, in a licensed vehicle.

I undertake to take the medical as soon as it is practicable to book an appointment.

I make this declaration believing the information provided to be correct and true and understand that if any information contained therein is incorrect, or any information is omitted, any licence held by me may be suspended or revoked. Furthermore, this may also affect my fitness to hold a licence should a future application be made.
