Dear Jenny

Application for Designation of a Neighbourhood Area - Tiverton, Devon

Tiverton Town Council hereby makes formal application under the Neighbourhood Planning (General) Regulations 2012 to have the parish of Tiverton designated as an area for the Neighbourhood Plan.

I can confirm that Tiverton Town Council has resolved this in full council and that Tiverton Town Council is a relevant body for the purposes of Section 61G of the 1990 Act.

Tiverton Town Council considers that the civic parish selected is appropriate and that a neighbourhood plan would assist in the protection and development of this area in the future.

Yours sincerely

John Vanderwolfe
FILCM Chartered MCIPD
