**Subject:** RE: Crediton Neighbourhood Plan Consultation

Dear Sirs,

I have read the Crediton Neighbourhood Plan consultation with interest.

It is good in all its aspects and I commend you for it.

However, bearing in mind your aspiration to improve air quality and environment, and to reduce pollution, I am surprised to see no mention or allowance for the long hoped for "Crediton Bypass" which could take heavy through traffic away from the town centre.

I do think this is a major mistake in the plan and you should look again at supporting such a proposal.

Kind Regards

David Parker  
Clerk to Morchard Bishop Parish Council
