Subject: Tiverton Neighbourhood Plan

Hi,

This is not so much as a response but more of a comment on the plan which is hopefully useful for Mid Devon. Figures 9.1 and 9.2 of the Tiverton Neighbourhood Plan would be a useful starting point for the district to develop a LCWIP (Local Cycling & Walking Plan). This would provide the District with a policy to assist the delivery of future walking and cycling infrastructure by identifying routes, gaining public support and prioritise future investment in Tiverton.

Kind regards

Stuart
