BUSINESS AND PLANNING ACT 2020 APPLICATION FOR THE GRANT OF A PAVEMENT LICENCE

Please ensure that you read all of the ‘information for applicants’ and the general conditions, before completing and submitting an application.

Information for applicants	
1.	Licences granted under this Act will be in force for a maximum period of 24 months. The Council may issue a shorter length licence than requested, if considered appropriate to do so.
2.	All licences will be subject to a schedule of general conditions which can be found in Appendix A, and to such other conditions as may be listed on the licence.
3.	There is a 14 day public consultation period, starting the day after the Council have received a complete application (and the relevant fee). The application will not be considered as ‘complete’ until all of the required documents have been submitted. It should be noted that the 14 day consultation period does not include (a) Christmas Day, (b) Good Friday, or (c) a day which is a bank holiday. The Authority then has 14 calendar days to consider and determine the application after the consultation.
4.	The applicant is encouraged to talk to neighbouring businesses and occupiers prior to applying to the local authority, and so take any issues around noise, and nuisance into consideration as part of the proposal.
5.	The application form MUST be accompanied by: <ul style="list-style-type: none"> • A plan (or plans) showing the location of the premises highlighted by a red line, so the application site can be clearly identified. The plan should show the area covered by the licence in relation to the highway and be to a scale of 1:100. The plan should include the location of any entry/exit points to or from the premises and the precise location of any furniture to be placed on the highway. • Photographs, brochures or drawings showing design, dimensions and materials of the tables / chairs and any other furniture you propose to use. • In making this application there is a requirement for the applicant to affix a notice to the premises (see Appendix B), so it is easily visible and legible to the public on the day they submit the application to the Council. The notice must remain in place for 14 days, beginning the day after the application is submitted to the authority. Please submit alongside this application photographs of the Public Notice. One photograph should be taken of the wording on the notice, and another showing the notice in situ. • Evidence of Public Liability Insurance (£5 million) • Evidence of no objection from neighbouring frontager(s) to use footway space outside their property (if applicable) • Application fee– Cheque payments cannot be accepted
6.	Once complete, this application form and any accompanying documents should be emailed to licensing@middevon.gov.uk . The Council will then phone you to take payment of the application fee.

Section M - Declaration and signature

I hereby make an application for the grant of a pavement licence in accordance with the Business and Planning Act 2020.

I declare that the information provided in this form is true and I understand that I may be liable to legal proceedings being taken against me (or the revocation of a Pavement Licence which may be issued to me) if my disclosures are found to be knowingly misleading or untrue.

I understand that I am required to give notice of my application in accordance with the requirements of the Business and Planning Act 2020 and that failing to do so will lead to the revocation of any licence granted (or the application being refused if a licence has yet to be granted).

I understand that the application fee paid is non-refundable if my application is refused or if any licence granted is subsequently surrendered or revoked.

I confirm that I will adhere fully to the conditions issued in conjunction with a licence and understand that any breach may lead to the revocation of the licence.

I give my consent for the Council to process my data for the purposes of processing this application and any future enforcement.

I understand that the grant of a pavement licence only permits the placing of furniture on the highway. A pavement licence does not negate the need to obtain approvals under other regulatory frameworks, such as the need for a licence to sell alcohol, and the need to comply with registration requirements for food businesses.
