Comment Reasons:

Comment: I have read this application and the applicant's statement. The applicant's skill as a blacksmith is unparalleled and he is very highly respected in historic preservation and restoration circles. I own a Grade II Listed Building and the applicant has created several stunningly beautiful items for me.

I wish it to be known that I have frequently and regularly visited him at Meadow Forge, Hillside Barn, almost from his first day there in 2006 and can confirm that what he has said is accurate and true.
