

Town and Country Planning Act 1990 (as amended) Section 195 Certificate of Lawful Use Appeal

Dean Aggett

Proof of Evidence – regarding Dean Aggett's bundle

In support of Appeal by Dean Aggett

Appeal reference: APP/Y1138/X/26/3378579

Relating to land at 'Meadow Forge', Cadeleigh, Tiverton, EX16 8RZ

- 1 My name is Dean Aggett of Meadow Forge Cadeleigh EX168RZ and I am the appellant.
- 2 I have read Ms Stella Radly's statement. She has made very serious allegations against me and by default others, which I refute.
- 3 There where and never have been any post it notes in either of my two files before or during the inquiry.
- 4 The only post note in any files was one the council's barrister placed in the black file after I did not. She repeatedly told me to do so and once she knew I wasn't happy doing that she approached the table and physical placed one in the black file herself, I don't recall what page it was put on and we never returned to that page the purpose is left unclear.
- 5 I am not aware that Ms Radly has qualifications to make the claims she made regarding my disability called dyslexia. I have faced these sorts of accusations such as being lazy, unintelligent or simple all my life, from my school days in the 60s and 70s up until today. Only experts could confidently say how such a disability functions in individuals such as myself and the effects it has on me. For me it does not greatly affect my reading, I know it can in some other but not all individuals with this condition, but not me. I do not choose to be dyslexic. I do not have any control over the affects it has on me which at times are substantial, especially in times of stress.

And I believe that the contents of the proof of evidence are true to the best of my knowledge and belief.
