Dear Sirs

Cullompton Community Association would like to express an interest in being awarded S106 money from the Cullompton North West Urban Extension. In the event of the proposed Sports Pitches and other community facilities not being taken up we would like to put forward a set of options for the Community Fields, i.e.

- Enhance the play area
- Pond
- Picnic and BBQ area
- Wildflower meadow
- Hardstanding for overnight/weekend camping

We would like this suggestion to be recorded for any future Consultations.

Yours faithfully

Catherine Penharris
